Dear Requester:

Reference is made to your Freedom of Information Act (FOIA) request, originally submitted to the United States Secret Service (Secret Service) on November 13, 2018, for information pertaining to the following documentation that relate to the June 9, 2016 meeting at Trump Tower in New York City: activity and personnel reports; agendas; schedules; itineraries; event task sheets; and intelligence assessments.

In response to your FOIA request, the U.S. Secret Service FOIA Office has conducted a reasonable search for all potentially responsive documents. The U.S. Secret Service FOIA Office searched all Program Offices and computer systems that were likely to contain potentially responsive records, and records were located.

We are processing the responsive records identified in connection with that search. They will be processed in accordance with the Freedom of Information Act, 5 U.S.C. § 552 and mailed to you upon completion.

As referenced in our initial response, due to the increasing number of FOIA requests received by this office, we may encounter some delay in processing your request. However, we are processing your request as expeditiously as possible.

Your request has been assigned FOIA File No. 20190171. If you have any questions, would like to discuss this matter, or check the status of your request, please contact this office at (202) 406-6370. Please refer to the file number indicated above in all correspondence with this office.

Thank you,
